**COMMODORE
RICKY SCANNELL**

Let me start by thanking a few people for your help and support with this year's Installation Dinner:

Paul and Winky Scannell, obviously without you two I would not be where I am today. Alice Gibson and Becky Wilson, for all your time and effort in decorating, organizing, and cleaning of the Club. It turned out beautiful!! Lonnie Gibson, Don Wilson, Jim Arnold, and Chuck Carroll, for cleaning, stripping and waxing the floors. Freda Lucido, for your time in preparing the great looking flyers and programs. Belynda Zobb, for your contribution of the flags. Kathie Hammer, for your Invocation, Ed Collins, for emceeing the event. Lawny & Lisa Chapman, for providing music into the early morning. Scotty Wigmore, Dan Gorman, and Chuck English, for your time helping everyone at the bar. Last and not least, Chef Paul and his DVC's HRM Catering team. I could not have asked for a better meal than what was provided. I THANK ALL of you for a wonderful night!!

To my Board of Officers and Directors, with your support I look forward to a great year of fun and entertaining parties. Of course it will also take the participation of the members as well. As a reminder, if you look on Sportsmen's web page (www.sportsmenyc.org) you will find a list of upcoming events. Be sure to check this year's calendar due to the many changes made throughout the year. Don Lucido does a great job of keeping our website up to date. We look forward to adding as many events as we can and continuing with support of our wonderful club. That can only happen with your help. I know I'm not alone in saying I enjoy an evening of good food, music, and socializing while enjoying a beautiful view of the Delta.

With January behind us I look forward to your continued support in keeping SPORTSMEN YC the BEST Yacht Club on the Delta !

P.S. Let's continue making Sportsmen YC the place everyone wants to be. Encourage and invite your friends to our club events. It's always nice to meet new people. GO SPORTSMEN!!

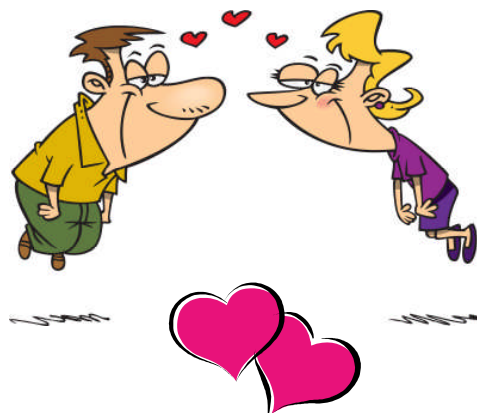

**VICE COMMODORE
LOUIE ROCHA**

We had our annual Installation Dinner on Saturday January 14th. It was an outstanding event due to the hard work of some of our Club members. An outstanding dinner was provided by our very own Chef Paul and the Diablo Valley College Culinary Arts Program. Once again, Alice Gibson did a terrific job of setting up a wonderful venue and Lonnie Chapman provided the music and entertainment.

Our second event of the year is the Sportsmen Crab Feed on Saturday January 28th. This annual event brings members together who work hard cleaning the crab in preparation for the tasty meal. Thank you to the committee members for volunteering your time in support of another successful event.

At Sportsmen, members make the events happen! Throughout the year, we have numerous activities planned that benefit the Club. So get involved in supporting the Club events, while experiencing the wonderful fellowship that makes the Sportsmen the best Club on the Delta.

Happy Valentine's Day!

*Don't Forget Your Sweetheart
on Tuesday, February 14th!!*

**REAR COMMODORE
DON WILSON**

I know this is going to be repeated in other newsletter articles, but I have to say it as well. I certainly enjoyed the Installation Dinner and I think Commodore Scannell did a great job with the format and its organization.

Many thanks to Alice Gibson, with the help of Becky Wilson and a few others, in getting the place set up and decorated. If you did not attend, you missed an excellent meal prepared by Chef Paul and his top notch crew; the food was beyond description. Lawny and Lisa Chapman provided the music and did a great job in keeping things going.

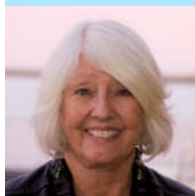

It was my pleasure to sit at the head table in the company of so very many fine people. I am certainly looking forward to working and socializing with these folks and all members of the Club.

Based on the things that I have observed so far, this is going to be a very productive year with the leadership and involvement by the members of the Club.

Congratulations to our new Port Captain, Chuck Carroll, and our new Fleet Captain, Darlene Dawson. These two experienced members will be invaluable in making this year a success.

Thanks to everyone for everything you do.

HISTORIAN'S NOTES KATHIE HAMMER

I found this article in an old bulletin dated February 1939 and thought you might enjoy reading it. This was happening 73 years ago.

"There was a fine turnout of about 50 at the January 16th meeting and committees were appointed to serve for this year. There was also a proposal of the greatest importance to Sportsmen Inc. discussed at great length and with great enthusiasm and a standing vote was taken which was unanimous in favor of acquiring a certain property, dredging a suitable harbor and moving the Sausalito, provided all of this could be accomplished on terms and price agreeable to the membership. This program is already bearing fruit.

On February 4, a deposit was made on 5 acres of the Yates property pending title search and delivery of deed. Since then the papers were received and taken to Chas. Fisher, our attorney. There was a slight discrepancy, so they were sent back for correction. Your officers are not doing this business in any haphazard manner."

As I write this article, I am preparing to attend the Commodores' Ball at Corinthian YC on January 28th. The first Delegates' Meeting is at Pittsburg YC on Monday, February 6th.

Last month, I expounded on the founding of Pacific Inter-Club Yacht Association (PICYA). This month is a brief history of Recreational Boaters of California (RBOC).

RBOC was created by PICYA in 1964 as a governmental advocacy. It is committed to promoting the enjoyment, protection, and responsible use of our waterways. Sportsmen has been a loyal supporter of this organization in years past and it's important that we continue to back this valuable organization.

(For further information, you can go to the RBOC link on our website.)

NEWS FROM FLEET CAPTAIN DARLENE DAWSON

We will be hosting Opening Day on the Delta on April 14th. This will be our first official cruise-out of the season. This year's theme is "American Spirit," thus keeping with the PICYA theme for Opening Day on the Bay.

Traditionally, Opening Day is the day boaters in cooler climates put their boats back in the water and parade them for all to see. In our area, it has been customary to decorate by theme or flags and streamers.

Whatever you choose, please come out and support our Club and community. You will be a valuable part of our parade! It is exciting and enjoyable for shore side observers to see the various boat types as well as decorations.
