

SPORTSMEN YACHT CLUB NEWSLETTER

JULY 2006

FROM OUR COMMODORE CHUCK CARROLL

What another great month in June! It's like we don't have Work Party *days* and *cruise-ins* anymore, we

have work party week/month and cruise-in "festivals." The work continues to get done around here in leaps and bounds. Don't know how **Casey & Sherry** keep it all organized. I've seen some Work Parties lately that had a higher attendance than some membership meetings in the past. Thanks to everyone who is working so hard!

The Blue Grass Festival was fantastic! We had boaters from 10 different yacht clubs here. This little thing that **Dave Selvy** started three years ago has grown into quite the party. A big thanks to **Sherry Lively, Casey Curry, Lonnie Gibson, Belynda Zobb, Scott Wood** and their hard working crews who

graciously volunteered so much of their time to make this event a huge success.

I spent a few days at my Colorado cabin with fellow Sportsmen **Joe, Chris, & Tess Stubberfield, Lonnie & Alice Gibson, Paul & Kathy Larosee, and Lou Zobb**, where we enjoyed day trips to museums, Indian rock art, old cabins where outlaws like Butch Cassidy hid out and Dinosaur National Monument. We came back in time for the June meeting and Work Party and then pretty much the same crew, along with Steve Nicholas, went fishing in Mexico for a few days. I truly have to say that was one of the nicest vacations I've ever had. Then it was back by Friday morning to start the Blue Grass weekend.

I think most who have driven into the Club the last two weeks have noticed the new lawn we've put in by the Ways. This has been a tremendous effort led by **Garry Ridolfi** and

crew to get this done. **Dave Selvy** engineered a sprinkler system installed by **Dr. Dan Lively** and it should give us years of trouble free service. We had a Sod Laying Party that exposed the pain in the backs and knees of more than one of the 50 plus years of most guys there. Good thing **Joe Stubberfield** and **Bob Williams** showed up; they laid the lion's share. Gary also donated the nice boarder board. We're keeping it good and wet for now and so far its stayed pretty green. It should provide Sportsmen with many years of a volleyball/badminton court, day use, and picnic area. There has been talk of naming the area "Pekonen Park" in memory of **Herb Pekonen**, a Past Commodore who recently passed away.

We had another year where the Carroll and Larosee Boys got together on Father's Day and did some really nice cooking for their Dads and

(Continued on Page 3)

SPORTSMEN YACHT CLUB NEWSLETTER

FROM OUR VICE COMMODORE SHERRY LIVELY

Well, Sportsmen, the 4S is just a couple of weeks away! You have all done so much to get our old gal ready, and boy does she look great!!! Prior to

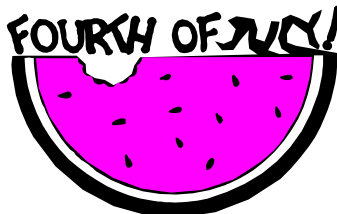

the Blue Grass Festival in June, a few of us had a week long Work Party; **Kay Power** brought her power washer to the Club and washed down the patio/BBQ area and the upper deck and stairs. Kay and **Kathy Harvey** painted the BBQ tables and benches. They weeded, swept, and cleaned all through the week. **Harry Parker** painted the Tikki Bar and the floor of the downstairs men's room; I'm sure our guest boaters appreciated that, Harry. **Ann Marie Alcorn** gave the bar a good cleaning. **Jim Arnold** washed down the lower patio.

The big project for June was the new park to the west of the Ways. I know **Casey** will give you all the details, but boy does it look different when you drive in the gate; what an improvement! Thank you to all the guys who worked so hard getting this done. To **Garry Ridolfi** and his nifty little backhoe, *thank you*. To my hubby who took a day off work to lay

pipe and wire up the water system, *thank you*. To **Bob Williams**, who moved the pilings to keep cars from clipping the corner, *thank you*, and they look great there too. To Casey and **Chuck**, who are always out there leading by example no matter how tired they got, *thank you!* To all the guys who worked laying pipe, sod, or just plain digging - *thank you, thank you, you are an amazing group of guys ... Job well done*. I know we are all very grateful to all of those individuals who have taken time out of their busy lives to make our Club sparkle, but if you get the chance, tell them.

We have only one true Work Party left before the 4S, so let's try and make it a great one. We can use your help with set up, general cleaning, and decorating to be done inside and on the upper deck; I'm sure Casey has a list of needs for the outside. I promise a good lunch.

I wish everyone a happy and safe 4th of July. Dan and I will be at Mandeville.

July Happy Birthday Wishes

PICYA Report By Larry Draper

We traveled to Sacramento YC for the June PICYA meeting.

Along with the Western Boating Safety Group, PICYA is sponsoring three \$2,500.00 scholarships for students whose parents are members of a yacht club that belongs to PICYA. Complete information and application forms are available at the club. If you have questions, please check out the PICYA web site or call me.

Aelian YC is having a year-

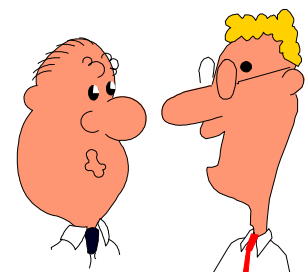

long centennial celebration, a cruise in on June 24, a Founders Ball on Sept. 23, and membership drive all year long.

St. Francis YC invites members of PICYA yacht clubs to the Wednesday Yachtsmen's Luncheon Series. Lunch is served at 11:45, speakers at 12:30 to 2:00. The cost is \$12.00 and reservations are requested; call 415-563-6363. Coming up on June 21st is Dr. John Hutton, Brigadier General, Med Corp US Army Ret. and President Reagan's personal physician. He will be speaking on The History of Presidential Healthcare. On June 28, Manuel Mier, Commodore of PICYA, will speak on the History of Yacht Clubs on

SF Bay.

If traveling to Lake Tahoe in August, you may want to check out Tahoe YC Foundation's 34th Annual Concours d'Elegance, August 4-5. Also in August is the Wooden Boat week, August 3-10.

It is not too early to think about individual PICYA awards and trophies. It would be great to nominate a distinguished member of the Club for one of these awards. Contact Larry Draper to submit a nomination.

Newsletter articles are due by the 20th of each month.
Flyer information is requested by the 15th.

FROM OUR REAR COMMODORE CASEY CURRY

June was an exceptional month in regards to getting ready for 4S. If some of you have not seen the new lawn area, what a difference! It is,

in fact, going to look park like as soon as we are done. I think we had a Work Party every weekend in June. I know some of the membership did not agree with this idea, but it has dramatically improved the appearance of the Club as you enter the grounds. We would like to plant a few trees on the perimeter of the lawn area with the Club's approval.

Soon after **Herb Pekonen's** passing, the Pekonen family advised they will be making a donation to the Club. Again, with the Club's approval, we would like the new area to be named "Pekonen Park" with an appropriate placard for all to see. Thanks to everyone for all the "hard work" to

complete this project. Please note that along with everyone else, this project could have not been accomplished without the time, equipment, and effort of **Garry Ridolfi**. *Thanks a lot buddy.*

Following are the people who made of this possible.

Len Adkerson, Jim Arnold, Dave Beckert, Dave Bower, Gene Buchholz, Chuck Carroll, Charlie Carroll, Mike Carroll, Ken Carver, Bill Coach, Paul Davis, Jim Dawson, Tim Doolin, Joe Fray, Lonnie Gibson, George Greer, Carl Hamilton, Dennis Higgins, John Hunter, Darrell Lackey, Tim Lamb, Paul Larosee, Dan Lively, Gary Mills, Dwayne Minick, Harry Parker, Bill Pato, John Perryman, Kay Power, Garry Ridolfi, Bert Schneider, Pat Sebers, Dave Selvy, Chris Stubberfield, Joe Stubberfield, Mike Transchel, Bob Williams, Scott Wood.

A group to be proud of!

(Carroll Continued from page 1)

helped everyone else cook for their Pops. Although it's not a Club function per say, it continues to grow and there was a nice turnout this year. It's really cool to sit back and have a beer with the other dads while your children BBQ for you.

We had 4S tryouts recently and, as I looked out over the

dance floor, it appears that Sportsmen are exceptionally physically and mentally fit this year for the grueling events they will face in the hot July sun.

Big, big, big Work Party on July 8th! The following weekend we host the 4S. Hope to see you all there!

HISTORIAN NOTES KATHIE HAMMER

Few people are referred to as "A Legend," but that is what is said about our friend **Hal Schell**, who passed away on June 9, 2006.

Hal visited our Club on several occasions. I remember him saying, "I hope you know what you have here," talking about our Ferry Sausalito. He loved our museum and would call me from time to time to ask questions about the ferries or news about our Club.

Hal was best known for his column in The Bay & Delta Yachtsman magazine called "Dawdling on the Delta" which told us of all the happenings from the Yacht Clubs to the Fishing Derbies to Delta Maps and Tide Tables.

Hal was the sole caregiver to his wife Joanie, who has multiple sclerosis. He would sit for hours at his desk at home writing and making calls. He wrote the book, *Hal Schell's I on the Delta*, which shows the love he had for the Delta. He was almost finished with his second book when he suffered a brain aneurysm last April.

Hal will truly be missed as a person and a journalist who new everything you wanted to know about the Delta.

To continue to honor Hal's life and work, a "Delta History" display is planned in the new Discover the Delta Visitor's Center that will soon be built at the foot of the Rio Vista Bridge. Hal's family has asked that donations go to this center. Checks can be made to:

Discover the Delta Foundation

SPORTSMEN YACHT CLUB NEWSLETTER

THE GHOST OF THE SAUSALITO

So - back from the "Old West" at a cabin in the north west corner of the Colorado in a place called Greystone a little lighter in the wallet, a rain coat that I didn't need...\$150, fuel \$137,500, guys snoring, belching, and making other rude & loud noises ...priceless. After the "Warden" and his Babe tried to get everyone hammered on Cinnamon Schnapps, they

only succeeded in smashing themselves instead! I had a little fun during target practice from the porch. Yes, they have them there. Little Tess, (what'a kid!!) kept hitting all her targets and I was down range moving everyone's target just before the bullet got there..boy were they embarrassed. Tess out shot everyone using 22's, 45's, 357's both revolvers and autos. Didn't matter which one she shot, a can went into the air every time she fired. The only time I got a little nervous was when driving me across the infamous "swinging bridge" over the Green River. The only thing green around there was the Ghost. Last day, I slept in and was left behind ... again -don-cha-know. I had to walk to Nevada. You ever try to hitch a ride from Battle Mountain, Nevada? I snuck aboard a truck with holes all over it...cows...I smelled like... ..I swam in the harbor to clean off...yeah I know; NO SWIMMING IN THE HARBOR. Nobody notices a ghost swimming.

Soon after dusting off from that trip I heard something about a limo ride to the airport for a little Meh-hi-co. I'm In so off we went...The El Comodoro, Warden & his Babe, Painter and his Cookie, and some guy named Stevie... Wow did we have fun...they didn't know I was there and until I wrote this they still didn't. Painter and El Comodoro both caught twin spear fish and while sitting around looking at the sunset and the water beyond, one said; "Can you just imagine if PC Selvy ("Uf-Dah!") were here; The first thing he would do is plant a row of trees at the high water mark so nobody could see anything!" This brought about a round of laughter that we're still enjoying. I had to laugh at that one. But boy did they miss him and his cigars! Cookie and Babe bought a cupula "Cubans" (cigars not girls) for the bouys and it was discovered even Chuckie's stogies, were better than those "imitation ropes." This time not left behind... slept all the way home in El Comodoro's duffel bag.

So what happened around here? I get back and the place is getting ready for a BBQ, my space is full of air conditioning pipes and coolers, and there is a stage at the end of the parking lot. You must be expecting dancers, actors or sumthin'. There's a bunch of boats being moved in... steaks on the BBQ, ..I get it, you guys are doing it again. All those crazy folks came up and partied and this is Friday... no sleep tonight.

Saturday...Jeepers! What do I smell? Hickory smoke or ...wait...here comes a bunch of more boats. Well, I'll be, here comes that Hill-Billy band from last year; "Carolina Special"...they play Blue Grass music and another bunch of guys. This could get good. I'm going down there. What a party! The BBQ smelled wonderful and everyone had a grand time. Especially a couple of groups of ladies who wanted to audition for singing engagements. (They should stay with what ever else it is they do.) Great fun! There are times a ghost would just once like to eat something and not have it hit the floor (too much information).

Talking about Blue Grass!! Have you seen the new "Pekonen Park"? Herb would be so proud! You guys worked all week to put in a turf play area complete with a sprinkler system that I don't have to go down and turn on...it does that, itself!! How do you do that? Someone said that the sprinklers were laid out in the dark... looks good to me.

Your 4S tryouts sure looked like fun. You guys did this four years ago. I think I am going to need the sleep... turning in here. Hey! Maybe Francine, the ghost at the Ryde Hotel, can catch a "Ryde" on one of the boats coming from Sacramento? I'm dreaming.

**PORT CAPTAIN
COMMENTS
JIM DAWSON**

All rentable cabins have been awarded. Our waiting list is still long. It seems cabins are once again a hot item. Years ago, cabins & hall parties were common practices.

I applaud the members who have taken the time to clean up and decorate the outside of their cabins, as well as inside. Please, let's continue to keep our hallways clean for all who use and visit our museum, cabins and facilities. The 4S is coming and Kathie will be leading tours of the museum.

Don't forget to get your reservations in to Audrey or Elaine for July's dinner. The June meeting night dinner was another sell out. Many thanks to our new associate **Tom Budesilich** for helping Casey and crew with the BBQ Chicken Dinner.

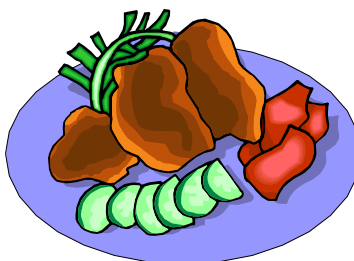

We still need volunteer cooks for September and December meeting night dinners.

As usual, the old faithful are there to fill in for Dave & Trella's time off. This is a high paying, stress free job with few qualifications. You are missing out if you don't sign up!

RV parking for 4S is going fast. Give me a call soon if you need space.

Last, but not least, **Garry Ridolfi** and crew have given us a great grass area. *Thank you.*

NCPCA Report

NCPCA (Northern California Power Cruiser Association) held their third exciting 'Over-the-Bottom' contest on the Delta at OxBow YC on Saturday, June 3rd. This 'new' course for this year started at Korth's Pirate's Lair, headed out to 3-Mile Slough, back down the San Joaquin River to the Mokelumne River, and ended back at Korth's for the finish line. All contestants did well despite a slight interference when the Delta Sport Boats' began their Poker Run from Tower Park and came roaring past the 'start line.' Some 35+ hot-dog boats zoomed down the San Joaquin River. The roar of their boats were a sight to hear and behold. Yours truly was a 'checker' and watched as they sped down the river. My only distraction was when a bright yellow seaplane landed where I was checking near the start line at Korth's. Nice fellas on board! Hope they had a great breakfast at Korth's!

San Joaquin YC took the trophies for the Top Five Winners: 1st Place went to *Granada*, Bill Krumlinde & Gerry McT; 2nd Place to 'Novice' Contestants on *Blue Dolphin*, Graham and Gail Giggins; 3rd Place to 'Novice' Contestants on *Smilin Jack*, Denis and Lesli Jackson; 4th Place to *Achilles*, Dave and Dolly Watt; and 5th Place to *Nessas IV*, Norm and Shirley Shier (they tied with *Volare*, Don Webb, from OxBow YC). A big congratulations to you all, and a big 'wow' to the new Novice Contestants! Also, a big thanks to OxBow YC, who served an exceptional dinner and a tasty 'free' Sunday brunch.

The next contest was at Bridge Marina YC on Saturday, June 10th. This contest began at the San Joaquin River near Herman and Helen's on the point. It was a beautiful day for boating, the skippers were anxious as this was to be the 'first' contest whereby 'no electronics' were allowed. Only a compass, stop watch, and clock were approved for the day's race. Everyone started okay, and finished safely at the Bridge Marina YC. The finish line seemed to creep up on the boaters and a few had to put it in high throttle to cross on time.

The winners of the Bridge Marina YC contest were

surprised that their scores were so low and were also amazed how well they actually did without their electronics. The Winners were: 1st Place, *Achilles*, Dave Watt, SJYC; 2nd Place, *Volare*, Don Webb, OxBow YC; 3rd Place, *Judie Ann*, Ken Whitham, SJYC, 4th Place, *Jimmy Jay*, Jack Praytor, SJYC; & 5th Place, *Granada*, Bill Krumlinde, SJYC. Norm Shier on *NESSAS IV* from SJYC won the 'pink flag' (bent prop award) for showing his laundry, when his fenders were hanging from the sides of his boat. Bridge Marina YC served us a delicious dinner and a nice breakfast as well.

San Joaquin YC hosted the fifth contest of the year on Saturday, June 17th. The start line was at Pittsburg YC. The weather was in the 90's and the delta breezes cooled off everyone as they cruised down the river to the finish line at False River. This contest kept the skippers busy, especially when a gigantic barge hauling the SF Bay Bridge Spans down from Stockton ran right into the day's course. The boats had to either stay on course or yield to the Barge and it's two tug boats. They chose to 'yield' thus veering off course, and safely maneuvering their vessels around the barge. This cost them some valuable error points, but it most certainly was the right decision.

The winners of the SJYC contest were; 1st Place *Volare*, Don Webb, OxBow YC; 2nd Place, *Dad's Choice*, Nancy LeBoeuf, Vallejo YC; 3rd Place, *Judie Ann*, Ken Whitham, SJYC; 4th Place, *Smilin Jack*, Denis Jackson, SJYC; and, 5th Place, *Granada*, Bill Krumlinde, SJYC. San Joaquin YC was a great host and served a great dinner and Father's Day Brunch.

Please join NCPCA for the second half of the season, which begins in August with the Driftwood YC Contest on August 19th, and then Stockton YC on August 26th. The next and final events to round out the contests for the year will be at Coyote Point YC on Sept. 16, San Rafael YC on Sept. 23, and Vallejo YC on Sept. 30. Please join us for dinner or racing.
