**COMMODORE  
GARRY RIDOLFI**

Hello Sportsmen! Well, October is just flying by! We had a great meeting in October and nice to see so many attend it! It was time for nominations for new officers and directors and I must say we received lots of them. Good luck to all.

I was asked to run again by so many people and was overwhelmed with all the support! I must say it was a very exciting year and have had a lot of fun, along with some very difficult challenges, but we got through all of them. So thank you to everyone who has been there to help! I have been a very active member for the last seven years and love what we have done and will continue to do things for our Club for many years to come!

I am sure most of you have heard about the Breast Cancer luncheon that was put on at the Club. To all you ladies who put it together: *what a great job you did and thank you!* I heard a lot of great things about the event and hopefully it returns next year at the Club! It is a great cause that everyone should support. After all, we all have had family members or know someone who has gone through breast cancer.

I would also like to thank Rob and Brett Horton for the awesome job you are doing for Daniel's Wish! You two rock! I hear the donations are still pouring in! The lunch on Saturday was great. Awesome food and good friends, it just can't get any better! Thank You!

Well I hope to see everyone at the next meeting!

**VICE COMMODORE  
RICKY SCANNELL**

Good Luck to all who were brave enough to run for a spot on the Board of Directors as well as Flag Officers. Congratulations to the ones who won the open spots.

Thanks to Rob and Brett Horton for a wonderful BBQ on behalf of Daniel's Wish Fund. They have a saying, "It takes a village to raise a child." Well, Daniel is our child here at Sportsmen and I believe we need to take care of our own. So THANKS to everyone for all the help in taking care of our own. It's a reminder to me why I joined Sportsmen YC!!

For the fishermen, we have the annual Fishing Seminar on November 2nd followed by our annual Fishing Derby on November 4th-6th. Good luck to everyone who's entered.

Don't forget to set your reservation for the Thanksgiving Dinner on November 19th. It's a perfect time to sit down and enjoy a great dinner with fellow Sportsmen YC members and possibly meet new members or catch up with other members you may not have seen in while. Either way it would be nice to see everyone here supporting our Club.

See you at the Club..

**REAR COMMODORE  
LOUIE ROCHA**

Dear Sportsmen,

This year has flown by! Having reached the half century mark, the days seem to move by faster each year. This year, I was nominated and elected to serve as Rear Commodore. This year has been a valuable experience, learning the Club By-Laws, rules and regulations and serving on the Board of Directors. I have enjoyed the experience, social activities, and fellowship of the Sportsmen membership. Tammy and I planned two successful excursions to EL Sol Winery in Livermore and to the Oakland A's game during the summer. We have enjoyed hosting the bar on Monday Night Football and club events. The Sportsmen are an outstanding social club, full of well planned events and a dynamic membership.

With the elections for next year coming soon, I want you to know that I have submitted my name for Vice Commodore. Having served one year as a flag officer, I learned a great deal about the operations of the Sportsmen YC. I believe the Sportsmen is a great yacht club rich in tradition and history. As we move forward, there will be challenges to be addressed by the leadership team of SYC. I am interested in serving on this important leadership that will have to make important decisions about the future of the Club. I look forward to taking the next step of the flag officer chair, if selected.

This month we celebrate the men and women who have served in the Armed Forces. I invite you to attend the Veterans Day Parade in downtown Antioch on Friday, November 11th. The event is a wonderful event that promotes the spirit of old Antioch on the river front. Please join me in this wonderful event, where there will be numerous participants of the parade that will honor the men and women who have served our great country.

God bless our troops!

## HISTORIAN'S NOTES

KATHIE HAMMER

Any summer day in the early 1900's you would see long lines of people at the Northwestern Pacific Railroad ticket window in the north end of the San Francisco's famous Ferry Building. The lines would start before 7am as vacationers or same day excursionists bought tickets for the very popular vacationland along the Russian River. At exactly 7:45 the big sliding doors would open and everyone would rush to board the ferry boat to Sausalito where you boarded the Steam Trains. The gate keeper would call out, "All aboard for Point Reyes, Tomales, Occidental, Camp Meeker, Monte Rio, Duncan Mills and Cazadero, narrow gauge railroad number 8." In a time of less than 3 minutes, the ferry's huge paddle wheels would start to turn and they were on their way.

The first railroad cars built for the narrow gauge were constructed in 1874 and the last were purchased from the South Pacific Coast Railroad in 1908. All of the trains were of the open-end type and were lighted by oil or kerosene lamps; they never had electric lighting. Time has moved on and not many people remember the narrow gauge railroad cars that were carried by our loved ferry Sausalito.

On Saturday, October 1st, Sportsmen YC hosted a tour of 50 people from the Antioch Riverview Garden Club. It was arranged by Bill Worrell. When the group arrived in a huge bus, Bill gave an interesting talk and then I took a group through our museum and Keith showed our cabin. Another group went up stairs where Carl and Elaine Rasmussen showed them around.

The people were very interested in the Ferry's history and many had traveled by the ferries years ago. It was a very enjoyable afternoon.

Lake Tahoe's Commodore Bob Boxer welcomed everyone to the October PICYA meeting and his club. Commodore Boxer served as PICYA secretary for 18 years. He recognized Ray and Kathy Holstead as delegates from Tahoe YC. Thank you to Jane Parsons for representing Sportsmen.

Commodore Linda Breninger spoke about the "Forget Me Knot" event that is held in several cities in the U.S. This event honors the soldiers that fought on the beaches of Normandy. Classic Yacht Club is the local club that lays wreaths on the bay at the same time as other cities and clubs throughout the world.

Rear Commodore Lew Long announced the management conference at Pittsburg YC October 15<sup>th</sup>. I attended the conference which proved once again to be most informative. Pittsburg YC served a delicious lunch. Thank you all for your time and energy.

### RBOC

President Linda Bendsen reminded delegates to have their Commodores fill out the RBOC Club Community Involvement Survey.

### Regional Affairs

## NEWS FROM FLEET CAPTAIN

CYNTHIA PETERSEN

Ahoy there...

Can't believe it is November already. The last fleet related event of 2011 is coming soon and that will be the Lighted Boat Parade to be held this year on Saturday evening, December 3<sup>rd</sup>. Last year, New Bridge YC hosted this event. This year, Driftwood YC will host, and next year it will be Sportsmen's turn. Ebony YC will be participating in the parade as well.

This is your opportunity to spend some fun time decorating your boat and on the evening of December 3<sup>rd</sup>, to gather friends, family and head out for a wonderful holiday evening.

Traditionally, decorated boats from each Club are invited to rendezvous with the rest of their fleet on the east side of the Antioch Bridge around 4:30 p.m. The parade will get underway at an assigned time and head down river. The parade route will pass by a panel of judges who will judge each boat and select a winner in a number of categories. Each boat signed up will be provided a number that is usually mounted on the starboard side of the boat, but please refer to the parade materials for this year's final instructions. This number will be used to assign the winners. The winning boats will be announced at the dinner which will follow the parade at Driftwood YC.

Detailed instructions and application forms for the Lighted Boat Parade are expected to be available in time for Sportsmen's November 3<sup>rd</sup> membership meeting night.

See you there!

# Sportsmen Yacht Club Election - November 4th

**At the November General  
Membership will be voting for our  
2012 Officers and Directors**

Short and sweet. My name is Don Wilson. I've been a member of Sportsmen YC for two years and a Director on the Board for the year 2011. I very quickly became a big fan of the Club and its special members and came to the conclusion that I want to be part of the Club's future. I am running for the position of Rear Commodore and recognize the challenges ahead. I appreciate your support in this endeavor and look forward to serving our members.

**Don Wilson**

My family and I have been members of the SYC for seven years. I was the Master at Arms from 2008 to 2010 and hope to be elected as one of the Board of Directors. I want to bring new ideas and uphold the Club's integrity.

**Rob Horton**

My name is Kenny Norris. I am honored to be a candidate for the Board of Directors. Most of my friends know me as a get involved hands-on type of person. I am a plumber for East Bay Municipal Utility Water District for 27 years. My wife Kimberly and I recently became members. For us, joining SYC has been like joining a family. We have two sons both in college; I've been involved in hunting and fishing on the Delta my entire life. My other hobbies include, golfing and camping. I realize that the Club means different things for different people, from social cruising and camaraderie aspects. It is important that while maintaining the traditions of the club, I believe it is crucial to attract new members and families who share the same values. It would be both an honor and a privilege to serve on the Board and I promise to work hard to best serve the club.

**Kenny Norris**

Subject to change pending  
nominations made  
at the end of October

Hi Everyone,

I am Anita Hinds running for a Director position for the coming year. I have been a member of Sportsmen YC since 2007. I have enjoyed meeting old and new members. I have especially enjoyed the history of the Sausalito and the character of the Ferry.

I enjoy being active at Sportsmen. I started as Co-Chairman of meeting night dinners and the Ship's Store. In 2009 and 2010 I assisted with the Annual Events and was Chairperson for 4S. During 2011, I have been the Event Chairperson and have organized the Installation Dinner, Crab Feed, St. Patrick's Dinner, The Country Round-Up and the Annual Picnic.

I would now like to change directions, be a member of the Board and work on how the Club functions and the affairs of Sportsmen YC.

**Anita Hinds**

Members,

I have accepted the nomination to run for Treasurer 2012. Yes, I am a new member of Sportsmen but I have been a fan for a long time! I am very excited about being more involved. I do have recent experience as an officer of another club, so I know being Treasurer will mean time and dedication and I am willing to take on this responsibility. Please give me your support by voting for me.

**Marina Faconti**

### *In Memory of*

*Former Sportsmen Commodore (1979) Preston Rice passed away in October. Preston retired from the Air Force in 1964, having joined the Army Air Corp during WWII and then stayed on until his retirement.*

*He enjoyed talking about politics and socializing with friends retired from the Air Force and socializing with members of Sportsmen YC. His wife, Ann, passed away in March 2011.*

### *In Memory of*

*Dan Perryman lost his long battle with pancreatic cancer on October 22, 2011. Dan joined Sportsmen YC in 2005, soon after his brother, John, introduced him to the Club. He loved coming up from Merced for a long weekend on the Sausalito Ferry, taking their boat out on the river. He enjoyed coming to Club events but he preferred not having his picture taken and would do everything he could to hide from the camera lens—although he loved being behind the camera to take candid pictures!*

*Dan served two tours in the Vietnam War as a Chinook Crew Chief and Door Gunner. Leaving the service in 1969, he then went to work for the postal service until he retired in 2003.*

*Recently, his newest grandson was born to his daughter Sarah (and William) and they honored Dan by naming the baby Daniel.*

*Dan made a special effort to attend our annual picnic in September, knowing it was likely the last time he would be at the Club.*

*We will miss his quiet wit and gentle smile. Our sincere sympathy to Sarah, William, John, and all their family.*

### Member Benefits

Steve and I were fortunate enough to spend the last two weeks of September on Oahu, and wanted to share some of our experiences at the two yacht clubs we visited there -- Waikiki YC and Honolulu YC. Both were within walking distance (well, kind of) of our timeshare. Of course, knowing that there was a cold beer at a reasonable price just 20 minutes away was all Steve needed to keep the pace going.

Armed with our membership cards, we were greeted warmly at both clubs. The Waikiki YC even has our burgee on display along with many others. It was pretty cool. They both have a great dining area, beautiful harbor, and a fantastic view of the fireworks on Friday evening. We had a very nice time and made a few new friends.

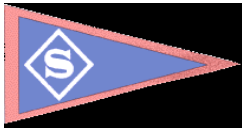

We were also able to participate in a coastal clean-up one Saturday, and tootled around the Waikiki harbor looking for trash. After a fairly uneventful morning, we came across an area of the main canal, called Ala Wai, with some pretty interesting stuff in the water. Just under the shallow surface we spotted half a motorcycle, a bike, and a waterlogged massage chair among other things. Thankfully there were some young, strong guys on the clean-up barge who were able to bring everything back up to the surface so it could be hauled away. I think we won the prize for the most weight!

If you are on vacation or are out of town, take advantage of your membership card and call on other yacht clubs. Another nice one is in San Francisco near the end of the wharf and ballpark.

Our most favorite one, though, will always be Sportsmen.

Aloha!
