

CASTING GAME RULES

1. Teams will consist of two players from each club.
2. Five (5) practice casts will be allowed prior to the competition.
3. All participants use the same rod, reel, line, and weight supplied by Sportsmen Yacht Club. Casting will be 40 feet with a ½ ounce weight/bobber combination (visual). Casting will be into a kiddie pool. (Weight may be changed at the time of the competition if wind conditions require the change.)
4. Each participant may use any method for casting.
5. Each participant will be allowed 10 casts toward the target.
6. Every cast that lands in the kiddie pool will score one point.
7. Cast must land in the kiddie pool. If the sinker bounces and goes in the kiddie pool, it will not count.
8. The team score will be determined by the total of both team members.
9. Match will follow the four-team Modified Single Elimination format.
