

GIANT JENGA

Object of the Game

Remove one block at a time from the tower, and then stack it on top. The last player to stack a block without making the tower fall wins the game!

Played by 4 players (2 teams at a time)

Player to go first is determined by the flip of a coin.

Order of Players

Team 1 Player #1

Team 2 Player #1

Team 1 Player #2

Team 2 Player #2

Carefully remove a block from anywhere below the highest completed story. Use only one hand! Then stack the block on top of the tower at right angles to the blocks just below it.

Removing and Stacking Blocks

- Remove and stack one block per turn. Remember - use only one hand (you can switch hands whenever you wish).
- As play proceeds and the weight of the tower shifts, some blocks become looser than others and are easier to remove. You can touch other blocks to find a loose one - but if you move a block out of place, you must fix it (using one hand only) before touching another block.
- While stacking, you must always complete a 3-block story before starting a higher one.
- Your turn ends 10 seconds after you stack your block - or as soon as the player to your left touches one.
- Keep removing and stacking blocks until someone topples the tower.

End of the Game

The last player to stack a block without toppling the tower is the winner.
