

Golf Chipping Game Rules

1. To score points the ball must be inside the target.
2. The players will stand behind the designated line while chipping.
3. Chipping will be a 30-foot chip into a kiddie pool.
4. The ball needs to land in the pool on the fly. The ball cannot bounce into the pool.
5. Each player will be allowed five practice chips.

Play:

6. Five chips will be allowed each player.
7. Score and ranking will be a total team score.
8. Medals will be awarded using the single elimination format.

If a play-off is needed, five chips will be allowed per player per team in the play-off.

Players may bring their own club or we will have clubs available.
